

SOUNDSCAPE

AGES: Elementary School, Middle School

DESCRIPTION

A soundscape is comprised of characteristic types of sound commonly heard in a given period or location.

FULL LESSON PLAN

In groups of 5 or 6, students will create a soundscape from a one of the following:

- City
- Rain storm
- Beach/Ocean
- Forest
- Culture
- Restaurant
- Emotion (choose one)
- Digital World
- Other _____

Criteria:

Your soundscape must be 30 seconds to 1 minute in length and appear to have a beginning middle and end.

Sounds must include: Voice, body (ie: clapping, stomping)

Sounds may include: instruments, actual or handmade

At some point during the soundscape, all group members must be participating at the same time.
